

In 2019 our community sponsored TEDxGoshen, an evening celebrating the creativity, ingenuity, and diversity of our great town. Goshen High School alumni and students were joined by a broad range of community members to each take their turn speaking on topics such as community outreach and charity, overcoming personal struggles, and celebrations of successes to a packed in-person gathering of 350 people. The Town was buzzing about the event for weeks, and these talks have been viewed over 10,000 times on YouTube.

Planning for TEDxGoshen 2021 has continued through the pandemic, and we've assembled another great representation of our community for our speaker lineup. Speakers come from the worlds of business, advocacy, the military, and our own Goshen High School. This year, in addition to a limited live audience on Saturday, June 5th we will be live-streaming throughout the world.

There is nothing else like TEDx Goshen in our Town, and we need your help to put together a great event. Please consider making a tax deductible donation to TEDxGoshen 2021. We will be recognizing individuals and businesses who are able to contribute as Silver or Gold Sponsors throughout our event.

- Silver Sponsors will be recognized between \$100-\$250
- Gold Sponsors will be recognized for over \$250-\$500
- Platinum Sponsors will be recognized for donations over \$500

Please contact tedxgoshen@gmail.com, or reach out to co-organizers Eric Harris (845) 742-0150 and Jonathan Redeker (845) 264-0889.
